

Regional Family **YMCA of Laurel Highlands**

May 29, 2020

Dear YMCA Members:

After nearly three months of closure we are pleased to be reopening for fitness and recreation on Monday, June 8th. We have been working hard to prepare the facility to reopen and are excited for your return. There will be a variety of changes to help ensure the safety of Y members & staff. More details on our new facility policy are available on the back of this letter.

New Summer Hours: Monday through Friday 5:00 A.M. to 9:00 P.M.
 Saturday and Sunday 8:00 A.M. to 3:00 P.M.

- All members will be required to sign a waiver the first time they return to the YMCA; sign it before you get here with the QR link below.
- If you are not feeling well or have a temperature, stay home. We will be checking member temperatures each time you enter.
- The Child Watch Room will remain closed.
- No pick-up basketball games, small group basketball shooting only.
- Please come dressed to work out; there will be NO lockers or showers available.
- Water fountains will be blocked off; water bottle filler will be available.
- All staff members will have their temperatures checked upon arrival and will be wearing face masks.

*Masks are encouraged in all public areas to protect other members & staff, but will not be required when exercising. Members should also practice social distancing of 6ft whenever possible. Any members who fail to comply with personal safety & social distancing policies are putting others at risk & may be asked to leave.

On March 15th, memberships were drafted then the following day we were required to close. The YMCA did not draft in April or May and will not draft again until July 15th to make up for the month that was paid on March 15th. For those members who pay in full, your membership will be extended for 3 months. We will not be accepting guests or visiting Y members at this time.

School Age Summer Day Camp started on June 1st and other recreation programs will start in early July. Please check our Facebook page for updates.

During the closure, the entire YMCA facility was cleaned and sanitized. Staff will continue cleaning & sanitizing throughout the day. Additional hand sanitizers have been installed as well as paper towel dispensers in the locker rooms & fitness center.

Again we look forward to seeing you in the days ahead.

Sincerely,

Steve Simon
Executive Director
